

# INSULATED TUBING & PIPE SUPPORTS

## HVAC Refrigeration Components

### New Innovations for HVACR

#### CUSH-A-NATOR®

- Standard Temp. Range -50°F to 275°F
- High Temp. Range -65°F to 340°F
- High Intensity Temp. Range -65°F to 400°F
- Made in the United States
- Longer Life Against Vibration Fatigue

#### CUSH-A-BLOCK®

- Built-in Channel Guide
- Embedded Fasteners
- Easy-carry Hand Grip
- Water Flow-through

#### CUSH-A-THERM®

- Temp. Range: -70°F to +250°F
- Maintains Thermal Barrier Protection
- Prevents Condensation Leaks
- Self-Extinguishing Polyurethane

#### SNAP-A-SADDLE PRO™

- Click-On Cartridges For:  
Strut, Clevis Hangers, Steel Angles,  
H-Beam/I-Beam, Floor Adapters
- Permanent Solutions to Insulation Problems
